Subject: Arbitration Fees & Copeland Inspection

Carol & Ron:

The arbitrator fees will be \$4000. They are payable by the 27th of February. At the arbitration, the arbitrator will award the costs of the arbitration to the winner so you will get the money back. You should make your check payable to Dean Kilgore and you can send it directly to him or to me, either way.

Also, Chris Copeland wants to visit Monday, Feb. 23, at 10:00 AM. Let me know if that works.
